### **New Business:**

**Discussion of 2012-2013 school year budget-**L. Mardesich presented an overview of the budget. Discussion followed. M. Bourgeois asked for clarification of the Intervention Coordinator positions, if one was for elementary and one for middle. L. Mardesich explained that he is asking for some flexibility with the position based on student needs. The split may not be elementary/middle; it may be math/English. L. Mardesich also asked for some flexibility with the counselor position. V. Bravo asked if this person would be or could be a teacher. It could be. If a teacher is pulled from the classroom, a replacement teacher would need to be hired to fill the position.

M. Bourgeois asked for a motion regarding the budget. L. Espinoza made a motion to approve the budget. C. Landry seconded it and it was accepted unanimously.

**Additional Discussion-** M. Bourgeois asked if there was any additional new business. L. Padilla asked about meeting times. He works in the afternoons so after school meetings are difficult. L. Mardesich explained that since teachers and school staff on the school site council need to be present, that morning meetings would be difficult. M. Bourgeois asked about before-school meetings, but some members had childcare needs before school. The council discussed other possibilities during the day. L. Mardesich offered to write a letter to L. Padilla's employer for the one-time per month meeting.

**Public Comment:** none

**Adjournment:** M. Bourgeois asked if there was any additional new business. There did not appear to be any. C. Landry motioned to adjourn the meeting at 3:25 pm. It was seconded and approved unanimously.
